6. Info & maintenance

Photo

During check-in, we ask you if we can take a photo of you. We store this photo in our real estate management system to make our services even better. This way we can help you faster for example if you have questions about your studio or if you have forgotten the key in the studio. The photo is only used for service purposes, where we take your privacy into account. The photo is not shared with third parties.

Maintenance and repair

Cleaning the studio and normal maintenance do not require expert knowledge. Normal care and a little calm when moving furniture will prevent the burden of repair costs for you and nuisance for your neighbors. If, despite every care, something is still damaged, alert the duty manager or report it through your service portal. More urgent matters, such as breakage of the water supply system, short-circuit or leakage will require an immediate report. You can report these matters to the duty manager, who will then get the professionals on site as soon as possible.

Pests and pets

Pets cannot be allowed in the complex for hygienic reasons and to prevent nuisance. It is also not allowed to temporarily keep pets or take pets from someone else to the complex.

Pest control is extremely difficult in a large, entirely heated building. Therefore, prevention is better and cheaper than cure. Properly sealing foodstuffs, putting leftovers in waste bags immediately (with the lid on), and keeping floors, tables, etc. free of dirt is an absolutely necessary first step.

Letting someone else use the studio

Although this is clearly stated in the Accommodation conditions, we note that it is not allowed to let anyone else stay in your studio without our permission. Check-out The check-out deadline is always on the last day of the Accommodation agreement 1.00 p.m.

7. Duty manager

The duty manager is present in the complex every day from 06.00 a.m. to 10.00 p.m. The phone number of the duty manager is available at the reception desk.

8. Security

The security officer is present in the complex every night from 10.00 p.m. to 06.00 a.m. You can reach the security officer in urgent situations on the same phone number as the duty managers. In less urgent situations you can send the security officer a text message, so that he can contact you if necessary.

9. Video camera

Cameras secure the complex 24 hours a day.

10. Announcements and complaints

Should you have any questions, please do not hesitate to report this on our website or send an email to info@studentexperience.com stating your name and studio number, or raise the question via our phone number +31 20 235 21 59.

You can file a complaint on our website. We will try to give you a substantive response to your complaint within two working days.

Announcements that are important to all residents will always be sent by email, but also posted on the service portal. Please always take note of these messages. It is important that we have your correct email address. Please notify us of any changes.
