

SMART DISTRIBUTION.
HEALTHY CITIES.

SUSTAINABLE PARCEL DELIVERY WITH MYPUP

You may have noticed the parcel lockers already. This building has a **MyPup Pick Up Point!**

You can have your parcels delivered without having to stay at home. Using MyPup means your parcels will be safely stored in a locker. You can collect your parcel when it suits you.

MyPup consolidates parcels from all websites at the edge of the city and delivers them to your building with electric transport. MyPup: simple, safe and sustainable!

Have you signed up yet?

Activate your account in 3 easy steps:

1. Scan the QR-code or go to **www.my-pup.com/register** to create your account.
2. Use your unique MyPup name and address when ordering online.
3. Collect your parcel from the Pick Up Point in your building when it suits you!

WHY MYPUP?

No missed deliveries

Works with every website and courier service

Parcels are safely stored in a locker

Less couriers = cleaner and safer streets

Climate friendly

All your parcels can be delivered to the MyPup Pick Up Point in your building. Simple, sustainable, and safe.

How does it work?

1 ORDER

When ordering online, use your MyPup name and delivery address. MyPup sorts all the packages early in the morning.

2 DELIVERY

One trusted MyPup courier delivers all parcels the same day to a MyPup locker with electric transport.

3 PICK UP

When your parcel is delivered, you will receive a text with a unique code. Use this to pick up your parcel.
